

Home Care – Charge Rates

Hourly Charge Rate

- **Standard domiciliary care: £22 – £30 per hour**
- **Enhanced / complex care (clinical oversight, higher acuity): £30 – £45 per hour**
-

Rates vary depending on package length, complexity, time of day, and staffing requirements.

Weekly Charge Range

Based on longer-hour packages (your preferred model):

- **20 hours per week: £440 – £900**
- **30 hours per week: £660 – £1,350**
- **40 hours per week: £880 – £1,800**
-

24-hour / complex packages:

- **24-hour care (including waking nights): £1,800 – £2,500+ per week**
- **Live-in care: from £1,100 – £1,600+ per week** (subject to care needs and complexity)

Final pricing is agreed following assessment and is dependent on complexity, clinical input, staffing ratios, and duration of care.
