Local Authority and Direct Payment Funded Care

R&R Supported Living Ltd welcomes referrals from all Local Authorities and individuals receiving Direct Payments.

For care packages funded through Local Authorities or Direct Payments, we are happy to work in line with the approved hourly rates and funding arrangements set by the relevant Local Authority.

Our aim is to provide accessible, high-quality, person-centred care to individuals requiring support within the community.

Care Assessments and Fee Confirmation

All care packages are subject to an individual assessment to ensure that the appropriate level of care and support is provided.

Fees may vary depending on the complexity of care, staffing requirements and agreed service arrangements.

All care fees and service arrangements will be clearly explained and confirmed in writing before care commences.
